The undersigned are requesting that a motion be put on the agenda for the February MVCC Board of Directors meeting as follows -

- We support City Councilman Bill Rosendahl's position that the Community Care Facility Ordinance as drafted is too broad and urge Council President Herb Wesson to hear the entire scope of public sentiment on this ordinance. We urge the Council to work with the community to address this in a way that serves all stakeholders in a manner that addresses complaints of homeowners without painting all group homes as neighborhood nuisances.
