#### ADMINISTRATIVE MOTION

**COMMITTEE:** Executive/Budget & Finance

**TITLE: Administrative Packet FY 2022-2023** 

PURPOSE: Complete FY2022-2023 Administrative Packet required for the MVCC to receive budget funds.

#### BACKGROUND:

MVCC's Fiscal Year begins July 1, 2022.

Each year, all Neighborhood Councils receive an annual budget. This budget is received upon approval by the City Clerk's NC Funding Office of a completed and submitted Administrative Packet.

On May 2, 2022, the Department of Neighborhood Empowerment (DONE) began its first emailing of the FY2022-2023 Administrative Packet (Packet) to every director to review and provide input at a Board meeting for approval before July 1, 2022.

If MVCC's Packet is not approved before July 1, 2022, the MVCC will not "gain access to your annual funds when the Fiscal Year starts".

Please note that the Packet is a fluid document. The funds within a category or itemized list can and do change monthly. This is why there is an agenda item of "FY Budget Adjustments" on every ExFin and Board agenda.

To demonstrate how fluid a document, and not to be concerned with the minutiae, the MVCC has been working from the Packet created by the previous board. It had only \$2k in the Neighborhood Purpose Grant (NPG) category and the MVCC was able to approve and pay for NPGs totaling \$9,500.

The items/funds are combinations of amounts from previous Packets of both in-person and virtual fiscal years. The Board of Neighborhood Commissioners (BONC) is working to allow in-person meetings again; or at least, hybrid meetings.

Timely submission to the City Clerk's NC Funding Office assures that the MVCC will have access to funds on July 1, 2022.

### THE MOTION:

The MVCC approves the FY 2022-2023 Administrative Packet.

#### **ACTION/VOTE COUNT:**

On June 9, 2022, the Executive/Budget & Finance Committee approved the working copy FY2022-2023 Administrative Packet with a vote of 2-1-0-2.
