

**CATEGORY:** Funding

**COMMITTEE:** Outreach

**PURPOSE:** Promotional adjustable measuring spoon with  
MVCC personalization

**BACKGROUND:**

MVCC's Outreach's Committees' purpose is to engage with stakeholders and create awareness of what MVCC is working on. To accomplish this, we communicate with stakeholders through weekly emails, newsletters, and website. Most recently, we are able to have a table at the Mar Vista Farmers Market where we will have the opportunity to meet our community in person, let them know what is happening with MVCC and encourage them to participate. With that, we would like to give away items that are both useful and informational.

**THE MOTION:**

The MVCC approves an expenditure, not to exceed \$500 for costs (e.g., designing, producing) 500 promotional adjustable measuring spoons for distribution to stakeholders at events/meetings for example. These are helpful in any kitchen, and will constantly remind the stakeholders of MVCC everytime they need to measure a spoonful of sugar.
