One Gateway Plaza  
Los Angeles, CA 90012-2952

At its regular monthly meeting held April 10, 2012, The Mar Vista Community Council passed the following resolution:

*Whereas, there are east-west passenger rail projects planned and funded for the Exposition and Wilshire Corridors to serve the Westside, and Whereas, there are no north-south passenger rail projects planned and funded to serve the Westside, and Whereas, the \$200 million allotted by Measure R to the Metro Green Line to LAX Extension only budgets for a bus connection from MetroRail at Century/Aviation, and which would leave the Westside with only very slight benefit to access LAX,*

*Therefore, the MVCC strongly supports:*

- 1) The study and funding of north-south passenger rail routes to connect the Green Line to LAX and the Westside, and*
- 2) The study and funding of north-south passenger rail routes to connect LAX and the Westside to the San Fernando Valley, and*
- 3) Inclusion of the aforementioned studies of both the Lincoln Blvd. and Sepulveda Blvd./405 Corridors.*

Kind regards,

Sharon Commins, Chair
