Item Number:

Summary: SB 9 and 10 have been introduced in the State Legislature and the Mar Vista Community Council supports the motions because these bills lack any affordability requirement. Thus they are contrary to the goals of our community and grassroots organizations seeking subsidies to fund affordable and social housing. Further, the bills contain language that overrides any vote of the citizens of the City of Los Angeles, at the discretion of the legislature. This is contrary to the State Constitution and the Mar Vista Community Council does not support nullifying the votes recorded on any matter brought before them on a ballot measure at the sole discretion of the legislature. We hope that voicing our concerns will bring forth an effort to engage with the communities in Los Angeles to meet the affordable housing crisis in a manner that will provide funding and direct the housing creation to those that need it most.
